

RED LINE IS THE CUT LINE

The diagram shows a large circle with a black outer boundary. Inside this boundary are two concentric lines: a red line and a blue line. The red line is closer to the black boundary, and the blue line is further inward. Two arrows point from the red line towards the center of the circle. A horizontal double-headed arrow spans the width of the blue line. Text is centered within the circle, explaining the purpose of these lines and the final dimensions.

THIS IS WHERE THE FINISHED
PRODUCT WILL BE CUT

BLUE LINE IS THE SAFETY LINE

ANYTHING THAT IS NOT GETTING CUT
MUST BE INSIDE THIS BLUE LINE

FINISHED SIZE - 5" ROUND
(5.125" ROUND WITH BLEED)
